The Resort *at* Pelican Hill
NEWPORT BEACH *California*

RL Gant Sports *Get Checked!* Celebrity Golf Classic is a can't-miss opportunity to entertain your key clients or business prospects.

We've planned two days of engaging activities where you and two guests will meet, mingle, and play a round of golf with a select group of current and former NFL, NBA, MLB, MLS, and PGA athletes; Hollywood actors; artists; and other business executives like yourselves. The setting is a grand resort in southern California with stellar views of the Pacific, where you'll experience exemplary hospitality and service—and golf our classic on a world-class course.

RL Gant Sports will also share information about our mission: getting the word out about the importance of “getting checked” for prostate and colorectal cancers—*because early screening saves lives!*

DID YOU KNOW?

Prostate and colorectal cancers share some common risk factors: *age, family history, and high-fat diets*
